**Lord we have seen the rising sun  
Awakening the early dawn**

And we're rising up to give You praise  
Lord we have seen the stars and moon  
See how they shine they shine for You  
And You're calling us to do the same

So we rise up with a song  
And we rise up with a cry  
And we're giving You our lives

We will shine like stars in the universe  
Holding out Your truth in the darkest place  
We'll be living for Your glory  
Jesus we'll be living for Your glory

Lord we have seen the rising sun  
Awakening the early dawn  
And we're rising up to give You praise  
Lord we have seen the stars and moon  
See how they shine they shine for You  
And You're calling us to do the same

So we rise up with a song  
And we rise up with a cry  
And we're giving You our lives

We will shine like stars in the universe  
Holding out Your truth in the darkest place  
We'll be living for Your glory  
Jesus we'll be living for Your glory

We will burn so bright with Your praise  
oh God  
And declare Your light to this broken world  
We'll be living for Your glory  
Jesus we'll be living for Your glory

Like the sun so radiantly  
Sending light for all to see  
Let Your holy church arise  
Exploding into life  
Like a supernova's light  
Set Your holy church on fire

Like the sun so radiantly  
Sending light for all to see  
Let Your holy church arise  
Exploding into life  
Like a supernova's light  
Set Your holy church on fire

We will shine like stars in the universe  
Holding out Your truth in the darkest place  
We'll be living for Your glory  
Jesus we'll be living for Your glory

We will burn so bright with Your praise  
oh God  
And declare Your light to this broken world  
We'll be living for Your glory  
Jesus we'll be living for Your glory

So we rise up with a song  
And we rise up with a cry  
And we're giving You our lives  
Jesus we will shine

**Spirit of God  
Unseen as the wind**

Gentle as is the dove  
Teach us the truth  
And help us believe  
Show us the Saviour's love

You spoke to us long long ago  
Gave us the written Word  
We read it still  
Needing its truth  
Through it God's voice is heard

Spirit of God  
Unseen as the wind  
Gentle as is the dove  
Teach us the truth  
And help us believe  
Show us the Saviour's love

Without Your help we fail our Lord  
We cannot live His way  
We need Your power  
We need Your strength  
Following Christ each day

Spirit of God  
Unseen as the wind  
Gentle as is the dove  
Teach us the truth  
And help us believe  
Show us the Saviour's love

**You hear me when I call  
You are my morning song**  
Though darkness fills the night  
It cannot hide the light  
Whom shall I fear  
You crush the enemy  
underneath my feet  
You are my sword and shield  
Though troubles linger still  
Whom shall I fear

I know Who goes before me  
I know Who stands behind  
The God of angel armies  
is always by my side  
The One who reigns forever  
He is a friend of mine  
The God of angel armies  
is always by my side

My strength is in Your name  
For You alone can save  
You will deliver me  
Yours is the victory  
Whom shall I fear Whom shall I fear

I know Who goes before me  
I know Who stands behind  
The God of angel armies  
is always by my side  
The One who reigns forever  
He is a friend of mine  
The God of angel armies  
is always by my side

And nothing formed against me shall stand  
You hold the whole world in Your hands  
I'm holding on to Your promises  
You are faithful You are faithful

And nothing formed against me shall stand  
You hold the whole world in Your hands  
I'm holding on to Your promises  
You are faithful You are faithful

I know Who goes before me  
I know Who stands behind  
The God of angel armies  
is always by my side  
The One who reigns forever  
He is a friend of mine  
The God of angel armies  
is always by my side

**There must be more than this  
O breath of God come breathe within**  
There must be more than this  
Spirit of God we wait for You  
Fill us anew we pray  
Fill us anew we pray

Consuming fire fan into flame  
A passion for Your name  
Spirit of God fall in this place  
Lord have Your way  
Lord have Your way with us

Come like a rushing wind  
Clothe us with power from on high  
Now set the captives free  
Leave us abandoned to Your praise  
Lord let Your glory fall  
Lord let Your glory fall

Consuming fire fan into flame  
A passion for Your name  
Spirit of God fall in this place  
Lord have Your way  
Lord have Your way with us
