**You call me out upon the waters
The great unknown where feet may fail**

And there I find You in the mystery
In oceans deep my faith will stand

And I will call upon Your name
And keep my eyes above the waves
When oceans rise
My soul will rest in Your embrace
For I am Yours and You are mine

Your grace abounds in deepest waters
Your sov'reign hand will be my guide
Where feet may fail and fear surrounds me
You've never failed and You won't start now

And I will call upon Your name
And keep my eyes above the waves
When oceans rise
My soul will rest in Your embrace
For I am Yours and You are mine

Spirit lead me
where my trust is without borders
Let me walk upon the waters
Wherever You would call me
Take me deeper
than my feet could ever wander
And my faith will be made stronger
In the presence of my Saviour

Spirit lead me
where my trust is without borders
Let me walk upon the waters
Wherever You would call me
Take me deeper
than my feet could ever wander
And my faith will be made stronger
In the presence of my Saviour

And I will call upon Your name
And keep my eyes above the waves
When oceans rise
My soul will rest in Your embrace
For I am Yours and You are mine

**Standing on this mountaintop
Looking just how far we've come**

Knowing that for every step
You were with us

Kneeling on this battleground
Seeing just how much You've done
Knowing every victory
Was Your power in us

Scars and struggles on the way
But with joy our hearts can say
Yes our hearts can say

Never once did we ever walk alone
Never once did You leave us on our own
You are faithful God
You are faithful

Kneeling on this battleground
Seeing just how much You've done
Knowing every victory was Your power in us

Scars and struggles on the way
But with joy our hearts can say
Yes our hearts can say

Never once did we every walk alone
Never once did You leave us on our own
You are faithful God You are faithful
You are faithful God You are faithful

Scars and struggles on the way
But with joy our hearts can say
Never once did we ever walk alone
Carried by Your constant grace
Held within Your perfect peace
Never once
No we never walk alone

Never once did we ever walk alone
Never once did You leave us on our own
You are faithful God You are faithful
Every step we are breathing in Your grace
Evermore we'll be breathing out Your praise
You are faithful God You are faithful

You are faithful God You are faithful
You are faithful God You are faithful
You are faithful God You are faithful

**Oh the deep deep love of Jesus
Vast unmeasured boundless free**
Rolling as a mighty ocean
In its fullness over me
Underneath me all around me
Is the current of Your love
Leading onward leading homeward
To Your glorious rest above

Oh the deep deep love
All I need and trust
Is the deep deep love of Jesus

Oh the deep deep love of Jesus
Spread His praise from shore to shore
How He came to pay our ransom
Through the saving cross He bore
How He watches o'er His loved ones
Those He died to make His own
How for them He's interceding
Pleading now before the throne

Oh the deep deep love
All I need and trust
Is the deep deep love of Jesus

Oh the deep deep love of Jesus
Far surpassing all the rest
It's an ocean full of blessing
In the midst of ev'ry test
Oh the deep deep love of Jesus
Mighty Saviour precious friend
You will bring us home to glory
Where Your love will never end

Oh the deep deep love
All I need and trust
Is the deep deep love of Jesus

**God of all ages and Lord for all time
Creator of all things in perfect design**
For fields ripe for harvest
for rich golden grain
For beauty in nature we thank You again

God of all nations and Lord of all lands
Who placed the world's wealth
in the palm of our hands
We pray for Your guidance
to guard against greed
Though great the resources
still great is the need

God of compassion and Lord of all life
We pray for Your people in conflict and strife
The earth You created a vast treasure store
Yet hunger still thrives
While men fight to gain more

God of all ages and Lord for all time
Creator of all things in perfect design
For fields ripe for harvest
for rich golden grain
For beauty in nature we thank You again
